#### **1. Football**

##### **a) BCYFL Report**

League has not met since our last CVLW meeting. Blackhawk Termites & Twerps are out. Termites now have 6 teams; Twerps have 5 teams. 5 games for Termites; 4 games for Twerps. Top 4 teams will make playoffs for Termites; all Twerps make playoffs. League released schedule which was posted on our Facebook page & sent out. There's a possibility it could change but it's likely our final schedule. Mighty Mites first game is Sunday, Termites get a bye in week one.

##### **b) Organizational Report**

Our kids have been practicing & it's going well. Kids having a lot of fun. Nice to see them out there playing football. We're moving along.

Dan - some teams are drafting from Ambridge. If Ambridge is on probation this year, how can they have kids from another district?

Jeff - if they paid their dues, they're allowed to do that.

Tim – didn't come up at the meetings but he guesses they would be allowed. He

will check into it

Eric - Could schedule change if we're allowed spectators?

Jeff – We haven't heard anything yet that we'll be allowed fans. Told to wait, they're discussing it and they will let us know what happens from that point on. There could be opportunity to play at home if we can.

Accepted by Matt Ambrose & Dan Keener
