##### **a) BCYFL Report**

Next league meeting is 8/1 to finalize plans for the season. This Sunday they'll release the official schedule. Team moms sent out Freedom game – Twerps 1pm, Mighty Mites – 3pm, no Termite game. They do not have a Termite team, merged with Rochester and still only have 14 kids. Will try to come up with a plan to give 8<sup>th</sup> game at Termite level. Shooting for a Wednesday night & having real game. Mighty Mites & Twerps will go to top field to practice if we do a Termite Wednesday night game. Players cards, info we still need, Kayla has been working on it. Card day is 8/8. Kids can't play if info isn't in. Could play in scrimmage & exhibition game but not official start of season. Coaches need to get clearances in.

##### **b) Organizational Report**

Great to see the whole field filled with football players & fans. Enjoying having a family atmosphere again after last season. Kids look great out here, practices going well. Had parent coach meetings at all 3 levels. A lot of new families this year, please ask any questions. First scrimmage is this Saturday at 10am for all three levels. Will likely play all 3 on main field. Scrimmage is 10-10 play. Next Sunday is our Exhibition Game. Game against Brighton Twp. is a real game but

doesn't count. For the Termite & Mighty Mite game, we will run a 5<sup>th</sup> quarter at Exhibition game to be sure all kids have enough playing time. Wear game uniforms to Brighton Twp., practice to scrimmage.

Dan Keener – When will stickers go on helmets?

Van Cantito – Next week some time. Game jerseys also being distributed next week

Accepted by Allison McKenzie & Brandon Checketts

## **2. Cheerleading**

Next week starts 2 weeks of mandatory camp for competition squads & 1 week for gameday squads. Still in Todd Lane, going well. Have open space, Ms. Feragotti has been very accommodating. Competitions confirmed for 9/12 at New Brighton & 9/26 at Seneca Valley. Will be putting info out for everyone, welcome everyone to come cheer squads on.

## **5. Grounds**

Fields look good. Hiccup with sprinkler, line was clogged, taken care of. Find weekend to pull football/cheer mats out. Need coaches to pull mats out & level. Grass getting cut twice a week now, looks much better. A post on fence is loose, needs fixed. Tricia ordered new field signs & yardage signs which will need to be hung. Also bought new crash sign, will be ready for first game. Dan talked with Justin Tonya about speaker. Said microphone doesn't work, rattles. Take it to Brighton Music Center. We need to buy a horn. Will test speakers this week to make sure we can play music.

Specials for Saturday – Orams donuts (cinnamon rolls & assorted), buffalo chicken dip, Kathleen's walking desserts & Warrior Burger. Wednesday night dinners starting 8/4, \$6 meal & drink – rigatoni & meatballs. Sent survey to see how many dinners are needed, capped out at 160 meals. Make 3 roasters full.

## **7. Pandemic Report**

No changes at this point since latest policy update from school district. Updated Pandemic Plan is posted & new Health & Wellness tab is on website. Leslie is going to the school board meeting in August. At last meeting, when they voted the updated policy they stated they would revisit the policy at the beginning of the school year. CDC is recommending masks indoors because of rapidly spreading delta variant. Could change our policy, if they change their policy, we have to follow whatever they implement. Dan – CDC mask indoors for both vaccinated & unvaccinated people. Leslie – that's for in problem areas. Beaver county is one of those areas with low vaccination rate.
