Dear Friends,

Thank you for attending the Central Valley Li'l Warriors Football/Cheer Banquet. We all understand the commitment that our football and cheer programs require. Without the continued support from our families and community year after year , the organization could never be as successful as it has become. As the bar continues to be set higher and the programs change around us, one thing remains the same; the tradition of success as demonstrated over the past 55 years.

No matter how big or how small, all of you play a part in the abundance of resources and support this organization offers to our youth. We thank you for the amount of time you give, your continued support of our program, and the youth who represent this community as the Central Valley Li'l Warriors Family.

Congratulations to all of the teams and squads on their 2023 accomplishments. Your hard work and dedication have made you all winners! We look forward to seeing you back for another successful season in 2024!

Sincerely,

The Central Valley Li'l Warriors 2023 Board
