4. Open Issues
- a. Registration T-shirt update? All shirts distributed. Kayla took orders for registration shirts. Mike says they should be here Monday 10/13, but they are not ready and will be done tomorrow 10/4. The 2t shirts were not good quality. 5 Mighty Mite YL shirts still need to be picked up and distributed.
 - b. Shed - The hole is still there and needs fixed. Need masonry work on outside to repair. At this time no repairs have been done. No update at this time.
 - c. Tent situation – Justin Saunders offered to be tent security. Kayla sent out info on tent rule to the organization. Had no issues at the last game with people putting tents up early. Will send another reminder before Saturday's game.
5. New Business
- a. In between meetings, Kayla got approval to purchase a tv & cart for the football teams to be able to watch film. Both were ordered & estimated to be in Monday 10/13.
 - b. A parent's car was hit parking on the hill at the last home game. Unfortunately, another car was blocking view from the cameras so we couldn't see who hit the

car. We cannot police the roadways but I would recommend people not park on the hill if possible. If a fire truck has to come down and cars are parked both ways, your cars will be hit.

- c. Next meeting is scheduled for October 27th at 7pm or after practice at Gene St. Clair field. This will be our second round of nominations for the 2026 executive board.
