Twerps 1st place and grand champions. Twerp Game Day received a showcase award and did a great job. Breanne thanked all of the coaches for a great season. There was an inquiry about what the cheerleaders will be doing at the Homecoming parade, Breanne has not been given a lot of details, but last year it was a brief performance on the front steps of the high

school. With all the comps, Brea has not found a permanent spot for the cheer mats yet. She will text Shane to figure out a date to get the mats from Elite. She looked at the u-Hail place and it is \$85/month for the size we would need. She is hoping to call tomorrow to get pricing from other places.

All but 6 people turned in their tickets but have made arrangements to turn them in. Right now, we sold \$1,30.00 in tickets. Dannielle would like to buy an additional \$500 gift card and set aside 50 tickets for the community service game; profits go to Nicholina's Wishes. No objections. e. Grounds

- i. General Update: Bill is hopeful the grass will improve because there is rain in the forecast this week. Numbers and centerpiece will be done for this week's home game. Bill inquired if the number outline should be green or blue, blue was decided. Paint needs to be purchased either way. Bill thanked everyone for taking care of the field for last weeks unexpected home game.
- ii. Accepted by: Ashley Saunders and Dannielle Theil

f. Concession Stand

- i. General Report: Jen restocked and did some cleaning this week in preparation. Andrea Popovich and Danielle Pagley helped her with cleaning and restocking. Volunteer spots are pretty much full for this weekend's games. Senior night only has 7-8 people for the entire day of games signed up. Kayla will put out a push for people to sign up as it will be their last opportunity. Discussed the possibility of increasing volunteer checks for the following year. There will be two more Warrior Wednesday dinners, unsure what next one will be. We received money

from the food trucks that we had at the unexpected home game VS Rochester (Papa Dukes and Chic-Fil-A)

- ii. Accepted by: Clay Atkinson and Jen Atkinson

g. Community Service

- i. General Report: Community service game is this upcoming Saturday. There is an auction raffle, bake sale, and 50/50. Please come out and support. We can still use volunteers at all 3 games. 147 t-shirts and 8 hoodies were sold for a profit of \$1,363.00 for Nicolina's Wishes. Mike said t-shirts will be done by Wednesday.
- ii. Accepted by: Danielle Pagley and Dannielle Theil

4. Open Issues

- a. Registration T-shirt update? All have been distributed to except: Board members, Twerp coaches, and 5 Mighty Mite YL. Discussion about board member t-shirts (do they get both?)
- b. Shed - The hole is still there and needs fixed. Need masonry work on outside to repair. At this time no repairs have been done. Update?
- c. Update on CV Homecoming parade? 1st annual Homecoming parade is Wednesday 9/24. Organization has been notified via Facebook post and email. Arrive at 5:30, wear uniform/organization T-shirt, coaches are welcome to walk with the kids. No CVLW practices that evening. Breanne is going to discuss with Roxanne with there is a rain plan and let the board know.
- d. Update/suggestions for tent situation? Issues at prior home game and at the unexpected home game after that. We have no volunteers to enforce the "tent rule" so Kayla believes we do not have a tent rule. However, the organization will not be held responsible for any damage or theft of property/tents. Clay suggests sending out another notification for new families that may not know. Sean suggested putting up signs, he was willing to come and check but will now be out of town. Discussion that people know about the rule and are still doing it, so the issue at this point is enforcement. Non-board volunteers offered to enforce the tent rule, communications will be sent out, and rule will be enforced this weekend. If there are still issues, we will revisit.

5. New Business
