The Select League season will consist of approximately a 10-game regular season and will run from Mid-March through Early-May. ***If a player wishes to play up and try out for an older team, it needs to be the consensus of the evaluators that said player be in top 5 for that upper team and be able to play a majority of the time for the upper team.***

\*Players at try-outs will be assessed, evaluated & determined by the CO-County Board, Local League Boards and along with members of our community that have unbiased opinions and do not have players in the league.

\*All-Star try-outs for summer baseball will be held around mid-April. Our spring teams, will not necessarily be our summer all-star teams; this will be determined by this separate try-out period.
